SQUARE

All Nova showcases are available in the above profiles in natural anodized finish. As an option, they can be painted. Matching plastic corners are available in black, white or grey.

The kickplate is 3 3/8" high with levelers. The melamine panels, available in black, grey and almond, are 1/2" thick.

The mirror doors slide on plastic tracks, with grey backs on all showcases except for NOV-350, 450 and 900. The lock supplied is a sliding type.

The glass panels are inserted into a plastic strip located in the profile. The melamine panels are inserted directly into the profile.

Storage section sliding doors on the Nova profiles are 1/2" thick melamine, with recessed chrome finished handles.
